

Dear sirs:

We are dedicated to organizing cultural fellowship events seeking brotherhood among nations. It is for us great pleasure to present our newest project for June next year: III International Choral Fest Costa Rica. This choral fest will be held from June 19 to 24 of 2019 in San Jose Costa Rica. It will annually take place in June and, as all our activities, it is dedicated to peace.

The choir's repertoire must be a capella and of free choice giving preference to music from their own country and region. All accepted choirs will sing together a common piece, which will be rehearsed during the festival days.

As the organization in charge, it is our duty to provide accommodations, transport, meals, outings to tourist sites and the logistics involved in the festival. Review our website for details: www.choralfestcostarica.org

Applying for the festival has no cost. Just fill out form and send along:
